SAFEGUARDING CHILDREN & VULNERABLE ADULTS

Safeguarding is everyone's responsibility and all employees are required to act in such a way that at all times safeguards the health and well-being of children and vulnerable adults. Familiarisation with, and adherence to, the appropriate organisational Safeguarding Policies and any associated guidance is an essential requirement of all employees as is participation in related mandatory/statutory training. All employees must ensure that they understand and act in accordance with this clause. If you do not understand exactly how this clause relates to you personally then you must ensure that you seek clarification from your immediate manager as a matter of urgency. Equally, all managers have a responsibility to ensure that their team members understand their individual responsibilities with regard to Safeguarding Children and Vulnerable Adults.
